 - ANSI/GBI 01-2010, Green Building Assessment Protocol

Mohawk hardwoods and laminates have earned the following third-party health and sustainability certifications:

FloorScore® certifies that Mohawk’s® laminate and hardwood flooring, meet strict indoor air quality standards.

California Air Resources Board (CARB) Phase 2 certification ensures hardwood or laminate flooring, such as our Mohawk® hardwood, meets strict formaldehyde emissions standards.

North American Laminate Flooring Association (NALFA)® certification ensures laminate flooring meets demanding performance standards.

Environmental Product Declaration (EPD) is a life cycle assessment-based tool to communicate the environmental performance of a product, such as our Mohawk® laminate.

Appalachian Hardwood Manufacturers, Inc. (AHMI) has verified data from the U.S. Forest Service that Appalachian Hardwood Territory timber is harvested sustainably. We use AHMI timber in our Mohawk® hardwood flooring.
